The Pre-School Partner New! Version 4.0

We are proud to announce the latest release of The Pre-School Partner, Version 4.0. The Pre-School Partner provides day care and pre-school centers with a comprehensive, yet simple approach to center management. The recent release of Version 4.0 adds many new features and enhancements to the system, including the addition of storing family, children and staff photos..

Its primary goal is to aid the pre-school provider in the functions of family and child registration, staff management, billing of services provided, collections of receivables and the tracking of vaccinations. Back up and restore functions are built into the software, as are import and export capabilities. All this plus over 70 family, child and staff related reports. A PDA interface utility is now available.

Single User Price: \$395, Network User Price: \$695

Unlimited number of families, children and staff!

The Pre-School Partner runs in Windows 95/98/ME/NT4/2000/XP.
