

Testimonials

“The most complete and user friendly in the market.”

Gabino Piña

Piña Accounting & Tax Service, Hialeah, Florida

“We have been using TAP since 1992, when we had 45 clients. We now have about 160 and are able to keep track of billings and client status. I believe it was a very wise investment.”

Robert K. Darrell, CPA

Murfreesboro, Tennessee

“I particularly like the way it allows me to organize much of my client information in a central location. I really appreciate your quick responses to my requests for help and support.”

Al Forrest

Forrest & Company, Neptune Beach, Florida

“My accounting practice involves a great deal of fixed monthly and quarterly billings. With the “QUICK BILL” feature it now takes just seconds to create all those invoices.”

Spencer L. Weston, CPA

Cameron Park, California

“With over 1,400 personal income tax clients and 200 corporations, “THE ACCOUNTANT’S PARTNER” has allowed us to take control of our billings and collections, as well as our daily practice management.”

Yolanda M. Carreño

Miami, Florida

“We have tried other software in the past, but find that “THE ACCOUNTANT’S PARTNER” is far superior to anything else currently In the market.”
