We are pleased to announce the release of The Consultant's Partner. The Consultant's Partner has been designed with the professional consultant in mind. The software provides a centralized location for the daily administration of the services your business renders, the time consumed in performing these tasks as well as the preparation of invoices and tracking of accounts receivable. All this plus contacts, notes, prospects, appointments, messages and much more.

The Consultant's Partner, follow the path to success with simple, effective organization!

Call us today at 1-800-553-2862 or visit our web site at www.on-qsoftware.com
